'I AM Jehovah - The Relational God'

PRAYER

Thank you LORD that your name implies that you want to have relationship with me! This is your nature and WHO you are! Thank you that You are always present!

SCRIPTURE

Read the following scriptures for deeper study:
John 11:17, Ex. 3:14, Jer. 33:1, Jer. 23:24, Psa. 139,
John 14:15, Josh. 1:5, Heb. 13:5, Heb. 10:19

OBSERVATION

- The nature and character of God's name Jehovah is that He is a God that is involved with His creation; a God that is living; a God that is real; a God that hears; a God that protects His children; a God that provides for His children; a God that is present.
- God provides for His creation even when we don't ask. Jehovah God delights in doing for His children, but He also delights in us seeking Him for our everyday needs and decision-making. Jehovah God wants to have a personal one-on-one relationship with each of us and we are the only ones preventing it from happening.

APPLICATION

Seek Jehovah God with your whole heart and He will manifest Himself to you. He only goes where He is invited! Don't just know Him as Elohim your Creator, become personal with Jehovah God – the relational God. Don't wait until you are in a struggle to seek Jehovah God, invite Him into your daily routines, invite Him onto your job, invite Him on your walks, invite Him at your dinner table, invite Him on your vacations, invite Him to school!

Know Him as Jehovah God, the relational God, who loves to be personal with His creation, who hears, listens to, and sees you.
